Father, I pray over your sons and daughters who just can't imagine a day when they'll no longer carry the weight of the pain in their heart. But God, you are the God who heals. You have spoken to the dead and they have lived. You have spoken to the blind and they have seen. You have spoken to the lame, and they have walked. And so, God, I ask you now to speak into their heart hope, life, strength, courage, and love.

In Jesus' Name I pray, Amen. YouVersion 11/15/23
