Prayer Concerns...

The Chile Ministry Team is 3 weeks away from departure. Thank you for your partnership in every way, especially prayer!

- **Ellis Holcomb** has been under treatment for pneumonia and is currently being tested for cancer. Please pray for healing, but also comfort and strength for his family and support team. (3/2)
- **April Schepisi** who is facing additional medical concerns beyond her cancer diagnosis and surgery scheduled for April.
- Please continue to pray with **Andrea** for her loved ones: **Robin, Joanna, Jessica, and Maurice**, for **Rossi** and her Mom's (**Sharon**) brother **Tom** after the passing of his wife. (3/2)

Concerned for those with Cancer, we PRAY for healing, better pain management, relational grace and wisdom under stress, wise and timely medical care — all these things we pray for the following warriors and their families: a 32-year-old **friend; Jean Webster** (Matt's mom); **Ralph** (Nancy Carpenter's cousin); **Debbie Haggerty** (Wes van Ort's cousin); **Brian Mattiske**; and **April Schepisi**.

- **Laura Beerle** asks us to pray that her children will learn healthy ways to deal with the grief and loss of their father who passed away 6 months ago. (3/2)
- **Safety** is a concern in a domestic situation involving someone recently released back into those relationships. (3/3)
- **Hannah Raube**, a young friend of the Ewerts, is serving in Tanzania with YWAM ([Youth With A Mission](#)). In a very serious bus accident on Feb. 24, 11 members of her base's ministry team died, and 7 others were hospitalized. (2/26)
- **Genny Elliot's** sister with three new stints is preparing for bypass surgery to correct a problem with one of her carotid arteries. (2/24)
- **Zach's** grandfather **Dick Warner (Terry's dad)** was hospitalized with pneumonia this week. (2/23)
- **Pastor Dirk's** oldest sister, **Sea G Rhydr**, is facing rapid decline in her kidney function and needs medical care not available where she lives. (2/21)
- Our **children struggling in school**. (2/18)

Pastor Steward begins his March report from NE India with thanksgiving for the overwhelming victory that is ours through Christ who loves us. [Amen!]

Answers to prayer: the missionary training school classes are going well, several conversions have occurred in the villages, and the 40 attending the Great Commission Challenge Camp #3 (2/22-24) committed themselves to spreading the Gospel (graduation 3/18-21).

Prayer is asked for divine provision and healing for his family and ministry partners, and for unity and strength among the churches under new, threatening legislation adopted in Assam and the growing possibility that the Hindu party can seize enough control to make India a Hindu country that denies voting rights to non-Hindus.

Steward thanks ERC for prayer and for financial gifts that are "such a blessing for the ministry here." (*See his full report in the hallway with map.*)

We seek God's comfort, wisdom and strength for the family and friends of these who have recently died:

Nancy Wasson, Feb. 15;

Genevive Strickland, Feb. 17;

Andrew Hagadone, Feb. 9.
